

THE FOURTH OF NEXT NOVEMBER.

For the Whig Standard.
A NEW WHIG SONG.
Inscribed to the Central Clay Club of Rockbridge Co., Va.
BY DR. PAINE, OF LEXINGTON, VA.
Air—Ten o'clock.
Hail to the day! it comes apace,
The Fourth of next November;
We'll tell the Loos then a tale
They ever will remember.

The nation's moved, thro' all the land,
Whigs have united heart and hand,
And this shall still our watchword be,
To strike for Clay and Liberty,
The fourth of next November.

The traitor Tyler now may quake,
His parasites all leave him;
The Democrats can't save themselves,
How, therefore, can they save him;
The people soon all in his might,
Will put the vengeful crew to flight;
Then courage Whigs, and still let be
Our cry for Clay and Liberty,
The fourth of next November.

Our principles are clear as day,
And based on truth and justice;
To bear them out we've chosen Clay,
Well-founded then our trust is;
We go for Frelinghuysen too,
The noble-hearted Jersey blue;
If Providence should take our Clay,
He never will our trust betray,
But honor will remember.

Then let detraction do her worst,
By speaking and by writing;
The viper only bites a file,
And harms herself by biting;
Our candidates the test have stood,
Our principles are pure and good—
Then let our constant watchword be,
To strike for Clay and Liberty,
The fourth of next November.

FROM ST. DOMINGO.

By the arrival of the brig Annawan, Captain Hutchinson, who sailed from Aux Cayes Sept. 1st, we have received the following information. It appeared to be quiet throughout the island, and the people were returning from Jamaica to their homes; the confidence of peace, however, is not warranted. The market is overstocked with all kinds of American produce, particularly flour, for which there is no sale, there being a supply for eight months in store. Logwood and coffee were scarce, and had advanced in price. Aux Cayes is reported very healthy.

N. Y. Republic.

LATER FROM VERA CRUZ.—By the arrival of the bark Ann Louisa, Captain Marshchalk, from Vera Cruz in 29 days, reports the times at Vera Cruz as extremely dull. The Mexicans were recruiting their forces to go against Texas. Mr. Dimond, late Consul, came passenger.

BALTIMORE COUNTY COURT.—A case has been on trial before this court for several days—Judges Archer and Legrand on the bench—being the President and Directors of the Bank of the Metropolis vs. Thomas Phoenix. The action was brought on the bond of Dennis G. Orme, formerly Teller of the Bank of the Metropolis, the defendant being the security upon the bond, for certain amounts of money, for which he became a defaulter during the time he was engaged. These defaulters occurred between March, 1833, and the 3d of July, 1833, and also subsequently, between that period and April, 1839, at which time he was discharged from the bank. Some of the legal issues in this case were argued yesterday. It was further investigated this morning. Counsel for the Plaintiff R. S. Cox, Esq., of the District of Columbia, and William Schley, Esq., of this city. For the defence R. J. Brent, O. H. Orsey, and John S. McCulloch, Esqs.

Balt. Pat. of yesterday.

The jury in the case of John Daily, charged with the murder of Matthew Hammit, in the Kensington riots, returned a verdict against the prisoner of murder in the second degree.

SANDS'S SARSAPARILLA.—It has always been acknowledged that purity of the circulating fluids is essential to health, an essence of which soon makes itself manifest in various and distressing forms of disease and constitutional disorders, as difficult to cure as they are afflicting to the individual. The celebrated medicine which heads this paragraph, stands pre-eminent in all chronic constitutional complaints, such as scrofula, &c., and having fully stood the test of experience, ranks first in the class of remedies. We cordially recommend it to the afflicted.

LOCAL NEWS.

NAVAL COURT MARTIAL.—The court martial is still in session at Coleman's National Hotel, in this city, and is engaged in the examination of witnesses in relation to the burning of the steamer Missouri in the harbor of Gibraltar, and the investigation of the conduct of Captain Newton in relation to the affair. A large number of witnesses are in attendance, of whom some two or three only have as yet been examined.

Other matters, we understand, will come before the court, the most important of which will be the investigation of the charges against Richard Muzzleton, a seaman on board the U. CLIREHUGH'S TRICOPHEROUS, OR MEDICATED COMPOUND, FOR THE CURE OF THE TRICOPHEROUS, OR MEDICATED COMPOUND

is now acknowledged by thousands, who use it daily, to be the only remedy to prevent Baldness, and to restore the hair that has fallen off or become thin; to prevent Gray Hair; to cure and remove every appearance of Scurf and Dandruff from the hair, and to keep it in the most healthy, soft, and glossy state.

BALDNESS. Gentlemen whose hair has become thin, or fallen off from natural decay, the effects of fever, or other disease, or what may be termed a constitutional predisposition to baldness, will by the use of this compound have their hair entirely restored. If faithfully and regularly applied when the hair first shows symptoms of decay, or after it has fallen off—no matter from what cause, he confidently assures both ladies and gentlemen, that the hair will never be lost, but will be restored to its natural healthy vigor.

GRAY HAIR.

At all ages the appearance of gray hair indicates a relaxation of the nerves and blood vessels connected with the root. Numerous causes, long sickness, change of color—such as study, fright, fever, long sickness, head aches, too great devotion to business, or the very common practice of wearing the hat within doors.—The progress of gray hair at all periods of life may, if attended to, be prevented, and those hairs that have prematurely changed may be again restored to their original color. To effect this end, it is recommended that at all times and seasons the head be kept cool, the hair cut rather short, the free use of the hair brush, evening and morning, and the application of this compound every evening for a short time will increase the activity of the skin, promote the circulation, and restore the nerves, blood-vessels, &c. to their healthy action. Persevere in this course, and the result is certain.

SCURF AND DANDRUFF.

This compound is strongly recommended to keep the head entirely free of all Scurf and Dandruff. Nothing is more injurious to the growth or beauty of the hair, or to a healthy state of the skin. In all cases where the head is subject to it, or where it may have accumulated in the hair, one application will readily remove all appearance of it, and its occasional use will keep the hair clean, soft and glossy.
